* P = indicates that **Powerfactor** was used to compensate for gender and age differences when all run for all foxes.

People that are **organizers and helpers** and did not compete in actual foxhunting events are honourably mentioned in the listing below. As soon as they have competed they will, of course, appear with all points earned in the rankinglist.

The following people contributed in organizing and helping to organize the foxhunts this year that form the basis of the Dutch ARDF/FoxOring rankinglist (in alphabetical order).
